Shipping and handling:
Is extra-we do not add it to the cost of the product sold. It is based on the weigh of your purchase. It costs approximately $8 for the first pound plus $1.00 per pound thereafter. There fore, estimate the weight of the product and include enough to cover it accordingly. Any extra will be refunded to you along with your filled order. We prefer cash, certified check, or money order or allow 6 weeks for personal checks to clear. We also accept Visa, Master Card, Discover or American Express. Please include expiration date with charge card orders. Thank you.
Canadian orders please add an extra $2 for special processing fees.
$15 charge for NSF checks and $5 charge for cards that are declined.
